

Dear Children

I am very happy to write you this letter

How are you all I hope by the grace of God

you are fine. With this letter I want to

Say thank you for helping me and supporting

me through the time I stayed at Baobab.

During my time at Baobab school

I learned plenty things. Besides the

academic lessons I joined the Batik

department, sewing department, and Arts

department, I love the Batik department,

because we learned how to produce

different kinds of fabric. In sewing I

learned how to sew out of the self-made

fabric beautiful clothes. for example I know

how to sew a dress and a skirt.

In Arts I learned how to draw a man and

the tree in a nice way. I want to have my

own shop where I can sell my fabrics. to

support this Baobab will give me some tools

for example I will get Cautic and colours

I will have my graduation in two days

and than I leave school and go home.

I am happy to leave school and go back

to my family thank you again for your

support! I wish you: all the best for

your future! with kind regards,

Grace
